Dear NDB Class of 1997,

Many of our classmates who had various summer commitments are disappointed they were unable to attend the “first” reunion that was thoughtfully organized this past summer by Caroline Cannizzaro and committee. Therefore, rather than waiting another 5 or 10 years for our next reunion, we have proclaimed “The Do-Over”. We all have busy schedules, so we will keep this simple and affordable. I hope you can all make this one!!!

Fondly,
Laura Trewin '97
